

## How to Preserve Your Legacy When Selling Your School

**Because selling isn't the end of your school's story—it's a continuation.**

You've built more than a school. You've built a space for children to learn, a source of support for families, and a community that relies on your dedication. Deciding to sell is never just about numbers, it's about making sure your life's work is honored and carried forward.

### How Bloom Academy Protects Your Legacy

- Support your teachers: Offering training, certifications, and scholarship programs.
- Guide families with care: Providing smooth transitions and ongoing communication.
- Keep learning joyful: Continuing play-based, curiosity-led programs children love.
- Prioritize child-first values: Keeping decisions rooted in what's best for the children.

Selling your school isn't closing a chapter, it's passing the torch. The families, staff, and children you've impacted will carry your legacy forward.
